PLEDGE-A-THON

Student's Name _____

All families are requested to provide 10 names and addresses of friends and family members for our annual Pledge-A-Thon. Because our sale type fundraisers target our in-town family and friends, we ask that you focus on friends and families that are out of the immediate Conyers area. The focus of this Pledge-A-Thon involves several needs of our band. Immediate needs include instructional costs such as music purchases, instrument repairs/purchases, year-end awards, website administration, and other budgeted areas as necessary. Long term needs include the funding for the purchase of new band uniforms which will cost approximately \$45,000 - \$50,000. A percentage of all monies collected will go to both areas. These areas will be explained in the letter that will be sent to each address. In addition, we will be asking for a minimum donation of \$10.00. These addresses will NOT be used for any other purpose. We thank you in advance for supplying these addresses. *PLEASE PRINT ALL INFORMATION.*
